

Product 711170

711170 Passive holder with tilt swivel Fits devices with both small and large battery.

Keep your unit in a passive holder and you will always have it within easy sight and reach! Neat, discreet and convenient. Custom made with a perfect, firm fit. You have full access to the camera and all buttons and outlets when the device is in the holder. You can connect a charging cable or portable handsfree to the device when it is in the holder.

The holder is equipped with a tilt swivel so you can easily adjust the angle for better viewing, or switch between portrait and landscape mode. Tilts 17° and swivels 360°. Mounting plate 42x50 mm with 4 mm AMPS-holes. Made of high grade black ABS/Acetal plastic. Color: black. Made in Sweden. Attach onto a ProClip Mounting Platform or a Pedestal Mount.

EAN: 7320287111705

Item no 711170 fits:

Point Mobile PM90 (For all countries)

INSTALLATION INSTRUCTIONS

1.

2.

3.

4.

Please read all of the instructions and look at the pictures before attaching the holder.

1. Loosen the screw in the center of the holder so you can remove the tilt swivel attaching plate on the back.

2. Place the attaching plate onto the desired position. Screw the attaching plate into place with the enclosed screws. Place the holder over the attaching plate so the screw fits in the hole in the tilt swivel. Tighten the screw until the holder is firmly in place, but still can be adjusted.

3. Put the device in place: Hold the device above the mount. Slide/press it straight into the mount so it is properly held in place. Remove the device: Pull the device straight out from the mount.

4. The holder is in place.
